Appendix III	:	Roll Cage Drawings (Class A & B)
Appendix IV	:	Weight Chart for Class C

SECTION A : SPORTING REGULATIONS

Art.1. STATUS & PERMIT NUMBER

Zone International. This competition is held under the National Competition Rules (NCR) of the Automobile Association of Malaysia, incorporating the provisions of the International Sporting Code of the FIA, this Supplementary Regulations and Additional Supplementary Regulation issued from time to time.

Art. 2. PROMOTER & ORGANISER

Chief Executive Officer
Sepang International Circuit Sdn Bhd
Jalan Pekeliling, 64000 KLIA
Sepang, Selangor Darul Ehsan
Tel: 03-8778 2200 Fax: 03-87782338

Art. 3. DESCRIPTION OF EVENT

Five championship rounds of 405 Metres Sprint.

Art. 4. VENUE OF THE EVENT

Sepang International Circuit

Art. 5. DATES OF THE EVENT

Round 1	-	20 th February 2010
Round 2	-	8 th May 2010
Round 3	-	24 th July 2010
Round 4	-	30 th October 2010
Round 5	-	20 th November 2010

The Organiser reserved the rights to abandon, cancel, postpone or amalgamate the dates of the event without prior notification due to not receiving more than 10 entries in each category or unforeseen circumstances.

Art. 6. ELIGIBILITY OF COMPETITORS

6.1 The eligibilities of competitors are as follows: -

- a) Competitors in possession of a valid competition licence issued by the Automobile Association of Malaysia (AAM) for Circuit Racing. (Minimum competition licence required: National "C" (Novice))
- b) Competitors in possession of a valid competition licence issued by the Automobile Association of Malaysia/Motorsports Association of Malaysia (AAM/MAM) for Circuit Racing. (Minimum competition licence required: National "C" (Novice) or National).
- c) Competitors in possession of valid FIA International competition licence issued by the respective FIA – National Sporting Authority (ASN) accompanied by a letter or visa of approval from the same to participate in the event.
- d) Any Malaysian team having a foreign driver(s) must hold the Automobile Association of Malaysia (AAM) entrant/team licence.

6.2 The organiser reserves the right to reject any entry in accordance with the National Competition Rules (NCR) of the AAM. There is no appeal against their decision.

Art. 7. ENTRIES

- 7.1 Entries are open upon posting of Regulations and close on the race day of each scheduled round or as otherwise stated in the ASR. Acceptance of entry is at the sole discretion of the organisers who have the right to reject entries without giving reasons.
- 7.2 Competitors are responsible for sending correct and complete entries with the correct entry fees prior to the entry closing dates. Entries open from 1600 hrs and closed at 1900 hrs on the race day.
- 7.3 Incorrect or incomplete entries that have paid the entry fees (including driver to be nominated entries) are to be held in abeyance until they are complete and correct and the date of receipt for acceptance of entry purposes shall be the date on which the Secretary of the Meeting receives the missing or corrected information.

7.4 It is a condition of entry that competitors have no right to any claims against the Automobile Association of Malaysia, Promoter, Organiser, Sponsors and any one carrying out their duties.

7.5 Please submit entries to:

Secretary of the Meet
SEPANG INTERNATIONAL CIRCUIT SDN BHD
Jalan Pekeliling, 64000 KLIA, Selangor

Fax: +603-8778 2338
E-mail: mashithah.hashim@sepangcircuit.com.my

7.6 Maximum number of entries accepted will be at the sole discretion of the organisers. Organisers reserve the right to refuse an entry.

7.7 Entry fee per round is as **RM200**. Any entry for which the entry fees have not been received until the entry closing date or for which the entry fees have not been paid completely are regarded null and void.

7.8 Participant are allowed to participate in more than one category provided that they pay the entry fees for the respective categories and also that the vehicles comply with the technical regulations of the respective category.

7.9 Payment of entry must be made in cash.

7.10 The entry fee may be refunded under the following conditions: -

- i) Refusal of entry
- ii) Entry fee will not be refunded for participant who is disqualified from the race due to any type infringement.

Art. 8. OFFICIALS OF THE EVENT

Clerk of The Course	:	TBA
Secretary of The Meet	:	Mashitah Hashim
Chief Medical Officer	:	TBA
Chief Timekeeper	:	TBA

Art. 9. EVENT OF PROGRAM (Subject to confirmation via ASR)

1500 hrs – 1900 hrs	-	Registration & Scrutineering
2000 hrs	-	Drivers' Briefing
2030 hrs – 2130 hrs	-	Free Practice session
2145 hrs	-	Start of Qualifying
0200 hrs	-	Awards Presentation

Art. 10. ELIGIBILITY OF VEHICLES AND CATEGORIES

10.1 The following are the categories listed for the event: -

- Class A
- Class B
- Class C
- Class D

10.2 Cars must be in good condition and meet all the safety requirements stated in the regulations.

Please refer to Technical Regulations for specific details.

Art. 11. POINTS SCORE

11.1 The point scores for each category will be awarded for each round as follows: -

PLACING	POINTS
1 st	5 points
2 nd	3 points
3 rd	2 points
4 th	1 point

11.2 For any category with less than six (6) entries per round, no point will be awarded for the said round.

11.3 Points will be accumulated from all rounds of the events to determine the overall Champion.

- 11.4 Competitors with the most points will be declared the winner.
- 11.5 In the event of a tie, the winner will be the participant with the highest number of race wins followed by the highest number of second and the highest number of third.
- 11.6 The organiser will have the rights to determine the overall winner if there is still a tie after all the above.

Art. 12. AWARDS

12.1 Trophies and prize money for each round will be as follows: -

Category	1st RM	2nd RM	3rd RM
A	1000	750	500
B	1000	750	500
C	1000	750	500
D	1000	750	500

12.2 Trophies and prize money will be given for the overall championship winners: -

Category	1st RM	2nd RM	3rd RM
A	3000	1500	1000
B	3000	1500	1000
C	3000	1500	1000
D	3000	1500	1000

12.3 If there are less than **six (6)** entries for each category, no pricing will be given.

Art. 13. SCRUTINEERING

13.1 All cars must comply with Section B – Technical Regulations. Refer to the said regulations for each category.

- 13.2 Throughout the entire duration of the event, the cars must comply with the Technical Regulations in all points. Engines may be sealed and the organiser may impound cars.
- 13.3 Any car, which, after having passed scrutineering, is damaged, must be re-presented to the Scrutineers after repair and be approved in order to be allowed to continue.
- 13.4 Protest time is 30 minutes from posting of provisional results. The Organiser reserves the right to strip any car after the race at the cost of the Team.
- 13.5 The Clerk of the Course reserves the right to impose additional weight penalties to be carried on a car in the interest of equalisation of performance.

Art. 14. DRIVERS' BRIEFING

- 14.1 It is compulsory for all drivers to attend the Drivers' briefing for the event. The Organiser will confirm the exact time and venue of the briefing.
- 14.2 The Clerk of the Course reserves the right to organise a special drivers' briefing in addition to the compulsory briefing.

Art. 15. FORMAT OF DRAG BATTLE

15.1 4 starters or less

The event will be cancelled or amalgamated to higher class.

15.2 5 – 9 Starters

All competitors will compete in the Qualifying session of 2 sprints in which time will be taken to determine the fastest 4 cars for semifinal.

15.3 10 starters above

All competitors will compete in the Qualifying session of 2 sprints in which time will be taken to determine the fastest 8 cars for quarter and semifinal.

15.4 Quarter/Semifinal and Final

To be determined by a knock out system of running 2 cars at the same time with the winner of each sprint proceeding to the next round.

15.5 Pairings

In an attempt to reward the quicker of the qualifier, pairings after qualifying will be based on qualifying elapsed times as per at attached ladder. ***(Please refer to appendix I).***

The first alternate will be positioned to race the slower of the opponents the second alternate will race the next slowest car and so on.

Once qualifying has been concluded and a ladder has been established, pairings will not be changed.

Art. 16. STARTING PROCEDURE

16.1 A "Christmas Tree" light system will be used.

16.2 Starting sequence:

- Cars will proceed slowly to the start line.
- There will be two (2) white lights on the top of the tree. When the first light comes on, it means that your front tyres have passed the pre-stage line. Go forward slowly until another couple of inches until the second light comes on. At this point, you are staged.
- Once the other competitor completed his staging, the race will soon begin. The starter will give about five (5) seconds before starting the lights.
- Three (3) amber lights will flash and the green light will flash.
- Any car moving before the green lights flashes will be considered to have jumped the start. The timing equipment will detect this.
- The participant will be disqualified for the particular run only if it is still in the qualifying session.
- If the participant to have jumped the start during the quarter final, semi final and the final, he or she will be disqualified from the run.

- No protest or complaint will be entertained on this matter.

16.3 Lane Choice

The driver with the better qualifying time gets the first round lane choice and in subsequent rounds, lane choice goes to the driver with the lower time in the previous round.

Art. 17. PODIUM

- 17.1 The podium ceremony will be held after the completion of the event for each round. It is compulsory for the winners to be available for the podium ceremony for each round with full gear except for helmet, gloves and HANS device.
- 17.2 At the end of the Championship season, an Award Ceremony will be held to honour all the winners and it is compulsory for all the winners to attend, failing which their prize money will not be released in full.

Art. 18. PROMOTER & ORGANISER'S RIGHTS

- 18.1 The organisers may abandon, cancel or postpone the meeting or any part thereof. In this event, the competitor or entrant has no right to claim against the Organiser or Promoter in respect of any loss or expense he/she may thereby incur.
- 18.2 Cancel any class, which has less than 6 cars or amalgamate them to the next higher class at the discretion of the organisers.
- 18.3 Distribute the awards based on intermediate results at their discretion if through bona fide unforeseen circumstances, the competition is stopped before its completion.
- 18.4 Exclude any vehicle whose appearance, condition or performance is not of a standard appropriate for the competition.
- 18.5 Refuse an entry without giving any reason.
- 18.6 The Clerk of the Course of this meeting has the right to stop the race or any driver immediately due to any unavoidable circumstances or as the case may be.
- 18.7 Competitors, entrants or any organisation will have no right to claim against the Organiser or Promoter for any expenses incurred or losses suffered through the exercising of these rights by the Organiser or the Promoter.

Any matters not provided in this Sporting Regulations will be referred to the National Competition Rules (NCR) of the AAM.

Additional Supplementary Regulations will be published from time to time to inform of any changes in the Sporting and Technical Regulations.

Art. 19. PITWALL/PITLANE/PITS/PADDOCK AREAS AND PARKING AREAS

- 19.1 Please refer to the illustration of the pit wall, pitlane, pits, paddock areas and parking areas in **Appendix II**.
- 19.2 Pit allocation will be made by the organiser. Decisions are final and the pit allocation will be published, once the final entries have been confirmed. There is no right to be allocated a specific pit. Each pit will be shared by several teams/cars.
- 19.3 There is no claim on a special pit wall, paddock areas and parking areas. Access and allocation of areas will be made upon instruction of the officials and their instructions must be strictly respected.
- 19.4 It is the responsibility of each competitor/team manager to ensure that team members are fully conversant with all pit rules. Any contravention by any team member may entail the exclusion of the team from the race.
- 19.5 No car may be driven in reverse in the pit lane. Immediate exclusion will result from such action. Mechanics are allowed to push their cars backwards to their designated pit.
- 19.6 Speeding is totally prohibited in the pit lane. The speed limit is 40 km/h that must be respected all the times. Anyone found speeding in the pit lane, paddock & parking will be excluded from the meet. Entry fees will not be refunded
- 19.7 Smoking and drinking of beer or alcoholic drinks are strictly prohibited in all areas between the pit and the pit wall. A penalty of RM300 will be imposed on anyone caught breaking these rules. Persons caught will be ejected from these areas.
- 19.8 Each team will be entitled to three (3) passes comprising of 1 competitor and 2 crews. These passes must be worn in a prominent manner at all times.

- 19.9 Persons under 16 years of age are not permitted in the pit lane and pit wall. Children under the age of 12 are not allowed in the pits, pit lane or pit wall until the race has ended. An exception is made for glassed hospitality area in pits. However, children are to be supervised by an adult at all times. Animals (of any kind) are not permitted in the circuit.
- 19.10 No spare car or any other form of vehicle may be parked in the pits. Any such vehicle found in the pit of any team will be reported to the Stewards of the Meet for penalty up to exclusion. Illegally parked vehicles will be towed away at the owner's costs and an additional penalty of RM100 will be imposed on the owner.
- 19.11 The use of motorcars, skateboards or similar means of transportation by any parties at paddock area are strictly prohibited. The organiser has the right to confiscate such vehicles until the end of the event. Only non-motorised vehicles are allowed at the paddock area.

Art. 20. PROTESTS

- 20.1 Under strict respect of the protest time of 30 minutes, all protest must be lodged in writing and handed to the Clerk of the Course or if not possible, to the Stewards of the Meeting. Protest fee is RM500.00 and striping fee, is RM500.00
- 20.2 Protests against decisions of the timekeepers, judges of fact as well as collective protests are not admitted.

Art. 21. INTERPRETATION OF REGULATIONS

- 21.1 Only the Clerk of the Course can give binding information about the event, or in his absence, his deputy.
- 21.2 In the case of any dispute, the interpretation of this Sporting & Technical regulation, the Additional Supplementary Regulations is up to the Clerk of the Course.
- 21.3 The Organiser reserves the right to modify or supplement the present regulations if considered necessary for reasons of safety, force majeure or by order of the authorities or to cancel the event in case that extraordinary circumstances should arise, without any obligations for indemnification.

SECTION B : SAFETY & TECHNICAL REGULATIONS

Art.1. GENERAL SPECIFICATION

1.1 Rotary engine:

The capacity is calculated as: Actual Capacity Engine X 1.8

- 1.2 Vehicles body may be chopped, channeled, sectioned and streamlined. Fiberglass bodies permitted. Must have full top and windshield, fenders mandatory, fiberglass duplicates permitted. Fenders may be trimmed for tyre clearance. Windshield is mandatory and must be in good condition and free from cracks. It may be replaced with shatterproof material with 1/8 inch minimum thickness. OEM windshield may not be cut for scoops. Windshield/window tint must meet the applicable government requirements.

Hood is mandatory. Hood scoop permitted.

- 1.3 Racing gasoline, gasoline and diesel are permitted. Fuel tank must not be placed inside the passenger cabin or the engine bay.
- 1.4 Competition exhaust permitted. Exhaust must be directed out of car to and must exit at the rear of the car.
- 1.5 Flywheel and clutch are free.

1.6 Brakes & Suspension

- i) Minimum two wheel (one caliper per wheel) hydraulic brakes mandatory.
- ii) Wheelie bars is permitted. Wheels must be non-metallic.

1.7 Tires & Wheels

- i) Tires are open of make and type.
- ii) Wheels must be automotive-type suitable for street use. Space-saving spare wheels are not permitted.

1.8 Interior

- i) Seats – must be properly braced, framed and supported seats constructed aluminum, composite material, double layer poly or fiberglass (automotive accessory seats) permitted.

- ii) Seat belt is mandatory and must be worn all the times during the meet. Minimum is 4 point harness.
 - iii) Fire extinguisher is highly recommended.
- 1.9 Batteries must be securely mounted and should not be located in driver compartment.
- 1.10 Headlights, taillights and brake lights must be in working order and must be switch on during the runs and when the vehicle is moving (pit lane, pit, paddock area). Flashing or blinking lights are prohibited.

- 1.12 Protective Clothing**
- i) All drivers are required to wear full-length pants, proper shoes, socks and gloves. Nylon or nylon-type clothing and open-toe shoes are strictly prohibited.
 - ii) Full racing attire (including shoes) is mandatory for Class A & B. Other classes are highly encouraged but will be compulsory from 2011 season onwards.

Art. 2. SPECIFIC MODIFICATION

Class A

1. Maximum engine capacity : No limit
2. Turbo, supercharged & Nitrous Oxide System (N.O.S) system are allowed.
3. All-wheel-drive vehicles permitted.
4. Roll cage is mandatory. **(Please refer to Appendix III for roll cage drawings).**
5. No minimum weight applicable.

Class B

1. Maximum engine capacity : No Limit
2. Either turbocharged, supercharged or Nitrous Oxide System (N.O.S). Only one allowed.
3. 2WD vehicles only.
4. Roll cage is mandatory. **(Please refer to Appendix III for roll cage drawings)**
5. No minimum weight applicable.

Class C

1. Maximum engine capacity : 2000cc
2. Only natural aspirated (Non-turbocharged and non-supercharged) engines are allowed.
3. Variable valve timing engines are allowed.
4. Nitrous Oxide System (N.O.S) system is prohibited.
5. Minimum weight required – Please refer to the table in **Appendix IV**.

Class D

1. Engines must be 1000 cc and below.
2. Either turbocharged or supercharged engines allowed.
3. Nitrous Oxide System (N.O.S) system is prohibited.
4. Dry minimum weight: 650 kg for forced induction car /550 kg for natural aspirated car.

Category F: Avantech Street Legal Machine Class

1. Engines must be 2000 cc and below.
2. Turbocharged or supercharged engines are not allowed.
3. Rotary engines are not allowed.
4. Variable Valve engine is allowed.
5. Nitrous Oxide System (N.O.S) system is prohibited.
6. Tyres are open except for Full Slick tyres.
7. Car must possess a valid road tax.
8. Interior and exterior must be complete and present. (Dashboard, front seats, rear seat, speaker board, door trims, rear mirror, carpets, panels etc.). Only front hood is allowed to use non OEM material.
9. Racing fuel tank is not allowed.
10. Brakes system must be complete and in function both front and rear.
11. Complete exhaust system is required from header to rear muffler.
12. Wind screen, side windows and rear screen must be made of glass. Other materials used will be not allowed.
13. Head lights, rear lights, front and rear bumper must be in perfect condition.
14. Safety is very-very important. Any car found lack of safety features will be prohibited from entering this class.
15. Minimum weight will be imposed, 2000cc min weight 950kg, 1800-1600 (type R) min weight 900kg, 1600cc min weight 850kg.

Category FX: Avantech Street Legal Machine Class (Turbo On The Road)

1. Engines must be 2000 cc and below.
2. Turbocharged.
3. Rotary engines are not allowed.
4. Variable Valve engine is allowed.
5. Nitrous Oxide System (N.O.S) system is prohibited.
6. Tyres are open except for Full Slick tyres.
7. Car must possess a valid road tax.
8. Interior and exterior must be complete and present. (Dashboard, front seats, rear seat, speaker board, door trims, rear mirror, carpets, panels etc.). Only front hood is allowed to use non OEM material.
9. Racing fuel tank is not allowed.
10. Complete exhaust system is required from header to rear muffler.
11. Wind screen, side windows and rear screen must be made of glass. Other materials used will be not allowed.
12. Head lights, rear lights, front and rear bumper must be in perfect condition.
13. Safety is very-very important. Any car found lack of safety features will be prohibited from entering this class.

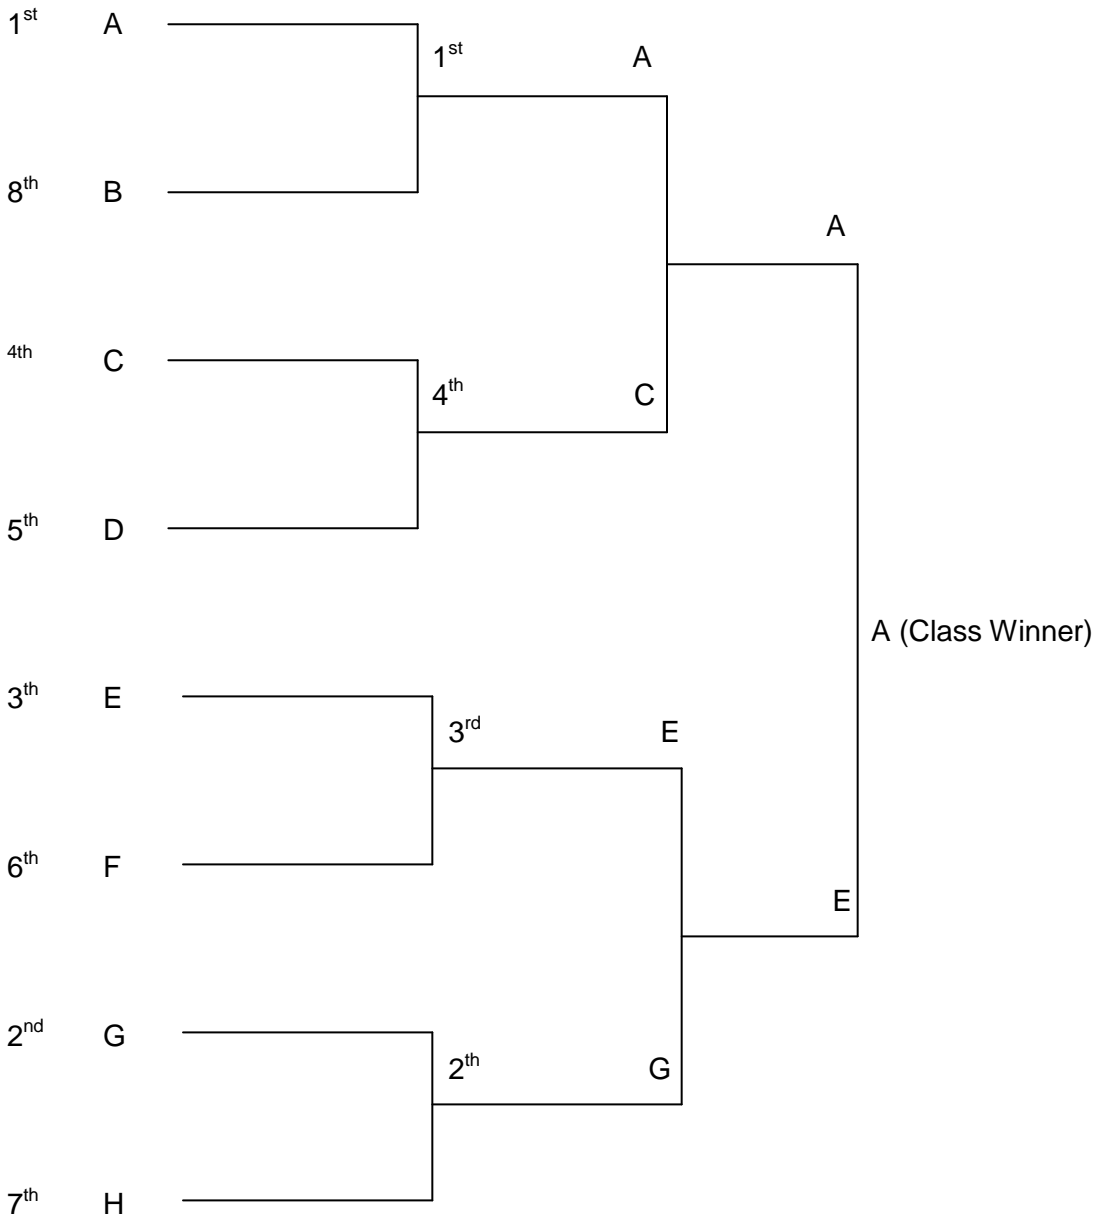

APPENDIX I

Art. 15. FORMAT OF DRAG BATTLE CHART

**Knock Out System
Fastest in Heats/Qualifying**

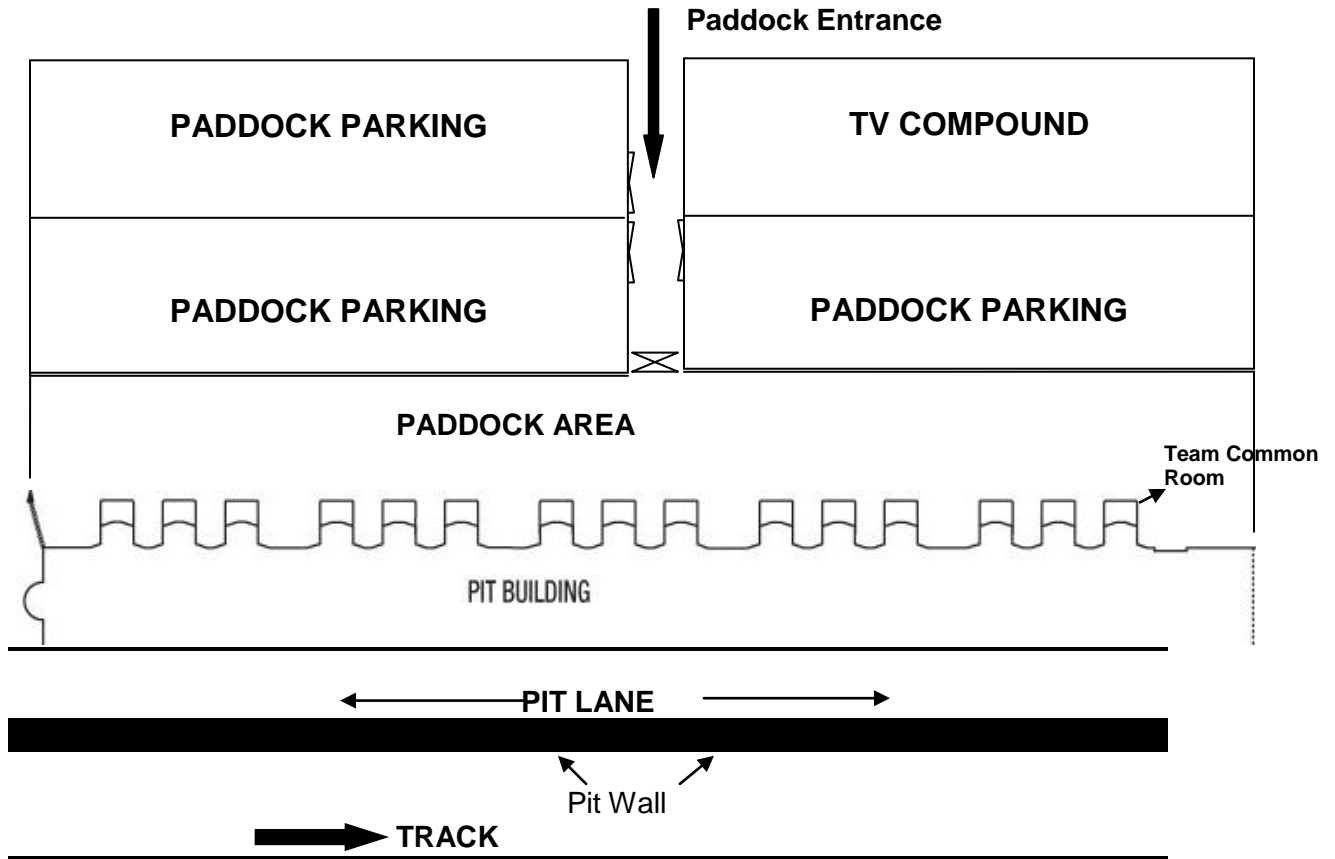

Quarter Final
(10 Starters above)

Semi Final
(5 – 9 Starters)

APPENDIX II

Art. 19 : PITWALL / PITLANE / PITS / PADDOCK AREAS AND PARKING AREAS

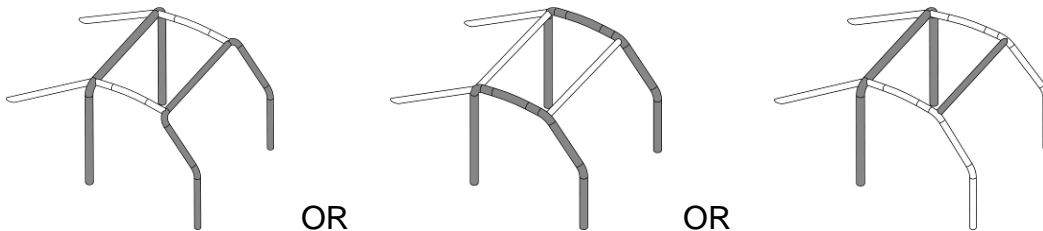

Appendix III

ROLL BARS (Class A & B)

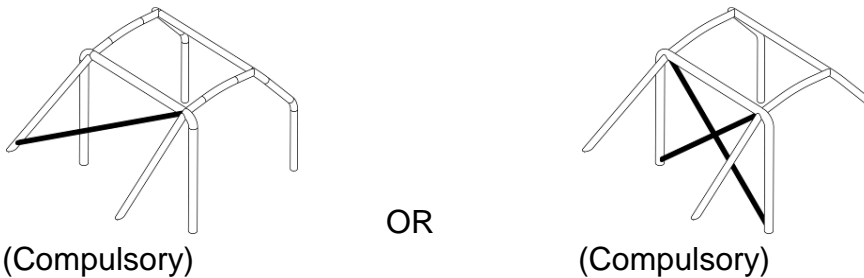

Basic guide – FIA Appendix J Regulation – Minimum Requirement

Material: Cold Drawn Welded steel is acceptable

One hole measuring 5mm in diameter must be drilled at the bottom leg of the main roll bar for verification purpose.

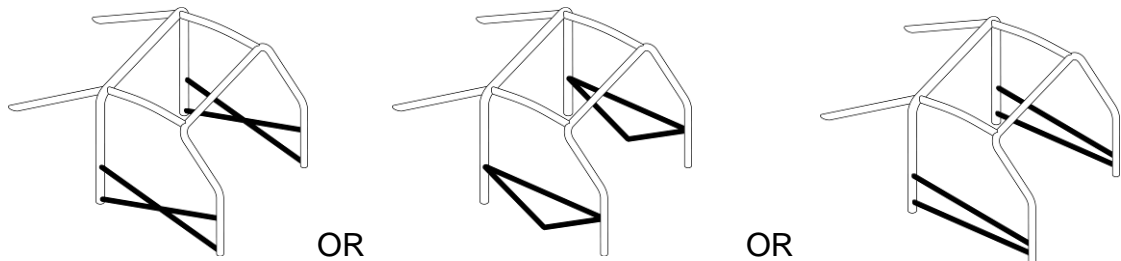

Minimum size for above: 45mm X 2.5mm or 50mm X 2.0mm

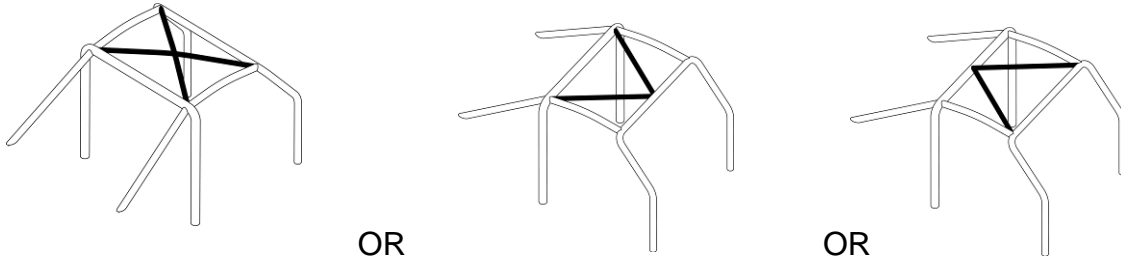

Minimum size for above: 38mm X 2.5mm or 40mm X 2mm

Door Bars (Optional)

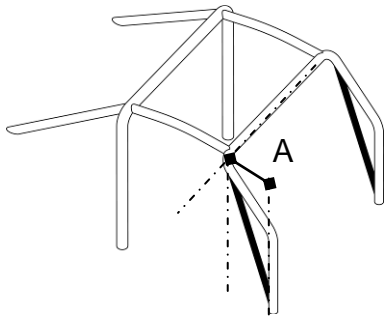

Minimum size for above: 38mm X 2.5mm or 40mm X 2mm

Roof Reinforcement (Optional)

Minimum size for above: 38mm X 2.5mm or 40mm X 2mm

Windscreen Pillars Reinforcement (Optional)

If Dimension A is greater than 200mm, the windscreen pillar reinforcement is compulsory. Minimum size: 38mm X 2.5mm or 40mm X 2mm

Mounting Point

Each mounting point must include a reinforcement plate at least 3 mm thick.

APPENDIX IV**WEIGHT CHART FOR CLASS C**

Note: Weight stated is minimum dry weight (excluding driver)

CAPACITY	WEIGHT FOR VARIABLE VALVE TIMING (KG)	WEIGHT FOR NON- VARIABLE VALVE TIMING (KG)
1901 – 2000	645	620
1801 – 1900	640	615
1701 – 1800	635	610
1601 – 1700	630	605
Up to 1600	625	600
